

GR-3 - 040-EM-12

(January 2024)

SKU: CF1E00100MC9

Technical Data

Design	Single Cylinder / 2 stroke
Class	FIA Karting – Group 3
Bore	Ø 41,80mm
Max. Bore	Ø 42,10mm
Stroke	43,00mm
Displacement	59.00 cm ³
Ports	2
Inlet System	Piston Port
Lubrication	Oil Mixture
Ignition System	Digital with adjustable advance
Transmission	Centrifugal Dry Clutch
Cooling System	Air Cooled
Balancer Shaft	-
Starter	Electric Start
Carb. Model	-
Max. Power	N.D.
Max. Torque	N.D.
Max. Rpm Limit	14.000 RPM

Accessories

Selettra homologated digital electronic ignition - Electronic box and H.T. coil - Integrated starter motor - Bendix - Starter motor support - Homologated centrifugal clutch with Z11 sprocket - Carburettor rubber manifold - NGK BR10EG sparkplug - PVL resistive spark plug cap - Exhaust manifold - Exhaust muffler - Muffler retaining springs - Electric wiring group - Battery support - Battery support clamps - Battery fixing belt - Coil/fuel pump support bracket - Start and Stop buttons with support and safety bracket

Price

€ 2.528,00 + VAT

Sales Conditions

Delivery	EXW / IAME S.p.A.
Lead time	30/40 days from order confirmation
Packing	at pure cost
Payment terms	as agreed
